

We as Americans enjoy our many Constitutional freedoms. Among them: freedom of speech, freedom to worship, freedom to vote, etc.

We too often take these men inspired freedoms for granted. We do so at our own peril.

In what ways have these freedoms impacted your life?

As we celebrate this 4th of July we must keep these freedoms close.

Pray that our schools continue to teach our children about these enumerated freedoms. Be aware and be wise.

We also as Christians know where our God-given freedoms are found. Read John 8:36, "so if the Son sets you free, you will be free indeed." What do these words mean to you on a personal level? Also read Gal. 5:1.

Does God's freedom have limitations? If so, what are some of these limits? Are we free to do whatever we please because we know we are forgiven?

In what ways have God's freedoms impacted your life?

Pray that our God will give you the understanding to know what His freedoms mean for your life.

Pause each morning to thanks to God for the freedoms He give you as well as the freedoms we enjoy every day in this blessed country.
